

REFERENCE LIST

1. stator
2. rotor
3. battery
4. high-frequency pulse generator
5. rectifier bridge
6. rotating magnetic core
7. stationary magnetic core
8. pulse generator coil
9. pulse generator coil
10. rotating electronic system
11. electronic switch
12. stator coil
13. resistor
14. rotor coil
15. diode
